

FBSPS Celebrates Global Milestone: Proudly Ranked #289 in the OA500 2024

Outsource Accelerator (OA) organizes the OA500 index to recognize the top outsourcing firms in the world, where [FBSPS](#) has secured a spot. The company is recognized with the 289th position in the OA500 2024 index with a quality benchmark of Total Footprint x QA Score of 187, marking its presence in global outsourcing.

What is the OA500 2024 index?

As part of the Global Outsourcing Firms index, the Outsource Accelerator (OA) compares and analyzes firms based on valuable indicators. This index methodology considers revenue growth, customer service quality, and tech advancements as the key factors for a rigorous cross-company comparison. This outsourcing advisor recognizes 500 global outsourcing firms amongst 2800 outsourcing players cataloged in 2024.

Impact of this milestone

The achievement of holding a position in the OA500 index shows our dedication to strategic success. This recognition is more than just an honor; it helps us enhance the credibility of our business and gain a prominent position in the outsourcing sector.
