“Rob comes recommended by the title company we talked to. He is very knowledgeable and efficient in what he does. We were glad to sort his help with our Interspousal grant deed, The documents were processed in less than a week and submitted to the Recorder office of the Santa Clara county.

When we sent a message to the Assessor's office and got the confirmation that both the deed and PCOR were completed successfully, there's no reassessment on our property tax. No doubt Rob has saved us a lot of time and effort had we been doing it ourselves.” – Katie HingKi Chow.
