A spectacular Vantara-themed cake was created to celebrate Mukesh and Nita Ambani's 40th wedding anniversary. This lavish creation, weighing over 30 kg, was inspired by Vantara, Reliance's wildlife conservation center in Jamnagar. The cake featured intricate gold animal figurines, including elephants, zebras, tigers, lions, giraffes, and crocodiles, reflecting the diverse wildlife at Vantara. Designed by Deliciae, the cake incorporated Nita Ambani's favorite color, pink, alongside elegant gold accents. The Ambanis were delighted with this unique tribute to their milestone anniversary and their dedication to Vantara.
