

Are there any handmade gifts you can give?

When we were young, we used to work hard to prepare a special gift for our friends. Even a paper crane that you fold yourself, a scarf that you woven yourself, or a souvenir book made by yourself, can make the other party's eyes enthusiastically moved because such a gift is full of heart and effort.

But now we are grown up and too busy. When we encounter important festivals, we often search for a gift from a certain treasure, so we lose our patience and care.

So be sure to cherish the person who is still willing to do it for you, DIY a small gift full of heart. Not tacky but also affordable, I will share with you some super heart-warming DIY gifts!

String drawing

Xiansi painting, the materials are very cheap to buy in a treasure, and tools are also given, which is the gospel of the handicapped party! The finished product is also good-looking, more artistic, and can also be hung on the wall as a decoration. It is a more practical gift.

Embroidery sushi

The embroidery in the shape of sushi, the taste of the combination of food and life, back to the basics, is full of the taste of childhood! After embroidering, install a picture frame and put it in the room. You can also embroider a handkerchief and give it to friends who are used to handkerchiefs. Such a beautiful gift is destined to be a beautiful heart~

Letter light box

The DIY free combination of 26 letters can easily create a sense of ritual in life, whether it is used as a holiday commemoration, birthday surprise, or decoration.

It can light up a corner of the home. There are wine, books, scented candles in this corner, and postcards hidden in the box. It is a spiritual corner full of fragrance.

DIY oil painting

There are a lot of styles to choose from, there must be the one you like. This is a color-filled one. After painting, you can hang it on the wall of your home, in the corridor, and you will think of you when you see it~

It has been a well known fact for quite some time now, [that practicing arts & crafts can have a very therapeutic](#), healing and beneficial effect on people. Spending time focused on a painting or any other form of creating beautiful art pieces, is something that can also provide hours of relaxation and fun in today's busy fast-paced life.

Surprise bounce box

The bounce box with its own BGM is simpler and easier to operate than the explosive box, and it is almost a finished product after sending it. Just sticking photos and putting banknotes and other surprises is enough, which is very intimate for the handicapped party! It's not a box that bounces, it's a surprise!

Assembled Smart Fun House

DIY Smart Fun House, "Sparrow is small but complete with all internal organs", furniture and home appliances are all available. Blessed are babies who have no room, let's build a small "villa" by yourself! There are a variety of different styles of villas for you to choose from, satisfying your desire to become a "designer". Bring you to reminisce about your youth, and to bring you back to childhood memories. If you can live in such a cabin, it must be very comfortable, right?

It's hard to see here, if these products can help you, don't forget to like it~
