

## Classification of Escorts.

The internet age has changed the entire working style of [Pune escorts](#) and escort agencies. Now everything is available online with just a few clicks of the mouse. Below, we have explained the types of modern-age escorts with Summery.

### Independent Escorts

Independent escorts in Pune work for themselves in hotels, private houses, and apartments. They charge high prices and avoid the public eye. They promote their escort services on the web, and they get the chance to keep their benefits themselves since they work independently.

### Agency Escorts

Like independent escorts, agency escorts also work in private places and charges are also relatively high. This kind of escort is moderately exposed to exploitation since a large cut of their earnings is shared by the escort agencies. The escort agencies in Ahmedabad generally have their websites to advertise their business.

### Brothel workers

Brothels are dedicated locations where escorts are rented out rooms or kept in rooms for providing services. Keeping brothels is illegal in many countries, including India. Customers go to brothels, pay to have sex and charges are very low. Brothel workers are heavily exploited by owners and the majority of their earnings are taken by them. Brothels generally do not advertise, their names go on by word of mouth.

### Dance bar Escorts

Many of the dance bar girls work part-time as escorts. They pick up the clients from the bars or vice versa. Once the deal is done those girls move on with the clients to their locations for the contracted period. Charges of those escorts are low since they keep the entire earnings with them only.

### Street worker escorts

The street worker escorts in Pune can be picked up for a short time or overnight. Those girls offer sex at very cheap prices and have lots of attitude problems. The chances of getting cheated are very high as they fish only flying customers. Those girls are often harassed by local police to get cut off their earnings.

If you want to have the best escort experience in Pune, we recommend you choose either Independent escorts or Agency escorts.
