

PCD PHARMA FRANCHISE IN KASHMIR

Biocorp Life Sciences has been India's primary medical supplier and health care provider for years now. Therefore, we have had many experiences in the pharmaceutical market and have learned perfection in medications and make them such that they can cater to the exact needs of our consumers. With a mission to touch all parts of India to provide health care to all, we are giving the golden opportunity of the PCD Pharma Franchise in Kashmir. With our support and your willingness, we could take your business to new heights.

The Vast scope of doing PCD Pharma Franchise business in Kashmir

Kashmir is a region with abundant resources. The people living here are lagging behind only in the area of health care. But we believe that with the growth of the industrial sector and the high potential that the business industry has to offer, a PCD Pharma Franchise in Kashmir would be a much fruitful business opportunity.

- As witnessed in recent history, the population of Jammu and Kashmir has collectively increased by 1.024 Million between 2014 and 2018.
- Making it evident that the population experiences an increase of about 0.2048 Million in the span of just one year.
- Therefore, the population of Jammu & Kashmir in the year 2019 is as high as 14.5288 Million (14.324 Million + 0.2048 Million).
- Kashmir also attracts a lot of tourists and the tourist population in the span of one year now makes collectively 14.32 million. The domestic tourist, however, makes for 14.24 million while the foreign tourists are about 79.77 thousand in number.
- During the span of 2017-18, total export products from the state accounted for US\$ 148.31 million in monetary terms. While the exports stood at US\$ 178.26 million in the period of 2018-19. This is evidence of the vast growth that the industrial development of Kashmir has shown.

Thus, these were just some factors that are reasons why the opportunity of a PCD Pharma Franchise in Kashmir will be very successful. All we are very much aware of the situation of Kashmir and the health situation is very poor here. Low medicine delivery channels in

Pulwama make suffer from bad health conditions so Pharma PCD Franchise is a great business exposure.
