

## E-commerce Fulfillment - Boxie Jungle

Our [E-commerce Fulfillment](#) service makes order processing simple. When customers buy from your website or a third-party sales channel, we pick, pack, and ship their orders in plain, unbranded packaging—99% of the time on the same day! As e-commerce grows, distribution centers face new challenges with handling smaller, lighter packages. Shipping companies have also introduced extra charges based on package size, making efficient fulfillment more important than ever.
