James G Koman - Serving As Founder And CEO

James G Koman is the driving force behind ElmTree Funds, serving as founder and CEO. With nearly four decades of real estate experience, he has led deals totaling around $20 billion in net-lease assets. He supports local institutions in St. Louis via board service at prominent hospitals and regional development groups. James endeavors to support organizations like ULI, NAIOP, SIOR, and PREA, and he is a regular speaker at national real estate events sharing lessons and insights.
