

# Horizon Home Care Services - Get Help at Home

Horizon Home Care Services is a [Medicaid approved agency in New York](#) that guides patients through the approval process for the CDPAP (Consumer Directed Personal Assistance Program) offering [CDPAS services](#).

Once a patient gains approval, Horizon helps onboard the caregiver of their choice and process the payroll, ensuring that they get paid accurately and on time. The company's mission is to make it easy for Medicaid seniors and disabled individuals on Medicaid in Upstate New York to get the help they need, at no cost, while remaining in their homes.

As a local upstate New York company, we are dedicated to highly personal service including: At Horizon Home Care Service, our knowledgeable team members guide patients and caregivers step by step making the qualification and sign up process simple and fast. If you qualify, [Medicaid will pay a caregiver](#) of your choice to come to your home. As an authorized agency,

1. You choose a caregiver. They can be an adult child, other relative, or a friend.
2. A New York Independent Assessor (NYIA) determines how many hours of coverage you can get each week.
3. Your insurance plan nurse will visit your home to determine your eligibility for home care.
4. Horizon will help handle any paperwork for your caregiver quickly and pay them weekly.
