

Uratech USA Inc: High-Quality CNC Tool Storage for HSK 63 Holders

Uratech USA Inc: High-Quality [CNC Tool Storage for HSK 63 Holders](#)

When it comes to CNC tool storage, quality, durability, and efficiency are paramount. Uratech USA Inc. takes pride in designing and manufacturing top-of-the-line CNC tool storage products, specifically designed for **HSK63A, HSK63C and HSK63E type CNC holders**. Crafted from high-quality **powder-coated cold-rolled steel**, these storage solutions offer durability and strength, making them an excellent choice for workshops and manufacturing facilities.

Premium CNC Tool Storage Solutions

Uratech's CNC tool storage solutions cater to professionals in the machining industry who require robust, long-lasting storage solutions. Our products are engineered to optimize space, ensure organization, and enhance workflow efficiency in workshops and manufacturing units.

Why Choose Uratech's CNC Tool Storage?

- **Superior Load Capacity:** Supports up to **4000 lbs**, making it ideal for heavy-duty industrial applications.
- **Premium Construction:** Manufactured using **powder-coated cold-rolled steel** for maximum durability and resistance to corrosion.
- **Quick Assembly & Ready to Use:** Designed for hassle-free assembly, allowing users to set up their storage units quickly and efficiently.
- **Red Nylon Inserts for Added Protection:** Our durable red nylon inserts provide a secure grip for CNC holders while protecting them from damage.
- **Wide Range of Models:** Choose from **20 different models**, tailored to meet various industry needs and workspace configurations.
- **Color Options:** Available in **Black and Lista Blue**, providing a sleek and professional look for your workspace.
- **Made in the USA:** All our CNC tool storage solutions are proudly designed and manufactured in the **United States**.
