Healthcare Scenario of State Mizoram

As a business-minded individual if you are planning to build a healthcare venture in Mizoram then you are on the right platform. The state government is actively participating in various activities for the improvement of the healthcare state. There are 12 community healthcare centers, 57 primary health centers, 11 district hospitals, 370 sub-centers, and 78 clinics established in the state of Mizoram. According to the stats, it is analyzed locations including:

- Champhai
- Kolasib
- Lawngtlai
- Lunglei
- Mamit
- Saiha
- Serchhip
- Aizawl

All the mentioned locations have the great PCD Pharma Franchise opportunity and the most demanding locations for medicines and drugs. Also, Mizoram is considered India's second-best health indicators. The improved healthcare services and products are provided to the citizens of Mizoram and even in the remote areas. At the district hospitals of Mizoram around 9 crores were provided for the improvement of health care facilities. The medical equipment and instruments are also provided which are used for the treatment of the needy patient in the state. Many government hospitals are set up in the state in the year 1906 which are now providing better healthcare services to a huge population of Mizoram.

Civil Hospital – In 1896 it was founded as Coolie Dispensary and then in 1906 developed into a hospital. In starting the hospital has only 20 beds but now has 300 beds or more. The hospital is providing major facilities such as surgery, orthopedics, gynecology, pediatrics, dermatology, ophthalmic, ENT medicines, etc.

Many other government hospitals are also established named District hospital Serchhip, District hospital Kolasib, District hospital Lunglei, District hospital Saiha, etc. The healthcare sector of the Mizoram states that you can have a flourishing business.
