

# Exploring Catturd Twitter - A Meme Account's Conservative Impact

Catturd, the online alias of Phillip Buchanan, is a controversial figure on Twitter, known for his sarcastic political commentary. His account (@catturd2), launched in September 2018, quickly gained popularity within right-wing circles, using satire and memes to criticize liberal politics and mainstream media.

Catturd's biting humor and viral posts earned him a significant following, bolstered by retweets from conservative figures, including Donald Trump.

However, [Catturd Twitter](#) has faced controversies, particularly for spreading misinformation during the 2020 U.S. Presidential Election and criticisms of election fraud. Despite this, the account remains influential in shaping online conservative discourse.
