

Join Us to Experience the Future of Telecom and Digital Services

Covalensedigital is excited to announce our participation in AfricaCom 2024, the premier technology event on the African continent! As leaders in digital transformation, we invite you to visit us at Booth #F20 to explore our innovative solutions tailored to help telecom operators, enterprises, and digital service providers thrive in today's fast-paced digital environment.

Introducing Csmart: Your Comprehensive SaaS BSS Platform for a Connected Future

At AfricaCom 2024, we'll be showcasing Csmart, our robust SaaS BSS platform that enables businesses to create and manage sophisticated digital ecosystems. Csmart offers a versatile range of digital products, providing end-to-end functionality from concept to cash to care. With a flexible SaaS model, operators can easily customize features for faster service launches and enhanced customer experiences.

Meet our team of experts to discover how Csmart can drive innovation and growth for your business. Don't miss the opportunity to secure a personalized demo and engage in insightful discussions at AfricaCom 2024!

Key Benefits of Csmart:

- **Agility & Flexibility:** Rapidly deploy and customize a suite of digital products tailored to your specific needs.
- **Innovative Digital Marketplace:** Collaborate with partners to unlock diverse revenue streams and explore new opportunities.
- **Multi-Sector Application:** Ideal for MVNx, MNO, 5G, IoT, satellite, private networks, enterprise, OTT, mobility, and fixed-line services.

- **Standards-Aligned Integration:** Enjoy seamless integration with existing systems, compliant with TM Forum ODA and Open API guidelines.
- **AI/ML-Powered Insights:** Leverage real-time analytics for data-driven decision-making and revenue maximization.
- **Low-Code Platform:** Experience quick, plug-and-play integrations that accelerate your time to market.
- **Cost-Efficient Cloud-Native Solutions:** Learn how our solutions can reduce OPEX while providing scalability and flexibility.

Join us at Booth #F20 and be part of the digital revolution at AfricaCom 2024! We can't wait to see you in Cape Town and share our pre-integrated BSS/OSS and enterprise BSS platforms for 5G services, designed to empower B2B telcos with a powerful SaaS solution.
