essential chords for you to behold, study and save for future reference. Each page has a clear
overview and a nice layout so you get a good sense of the overall picture. So in this book, I'm
going to share the tips I've learned for making the most important part of the guitar world,
chords, as simple and fun as possible. If you have a good grounding in chords, you have a
fantastic foundation to succeed as a guitarist. This short ebook will help you play chords on
your 3 string guitar. I'm tuned to G, if you're not then I'll leave it you to transpose. A chord has
three notes in it and there are three strings on your guitar, two of them generally tuned to the
same note. This leaves us with two options. 1. Play chord fragments that don't contain all.
