# Join Us in Cape Town at AfricaCom 2024

We're thrilled to announce that **Covalensedigital** will be participating in **AfricaCom 2024**, Africa's premier technology event! As leaders in digital transformation, we invite you to visit us at **Booth #F20** to discover how our innovative solutions are helping telecom operators, enterprises, and digital service providers thrive in today's fast-paced digital landscape.

Introducing Csmart: Transforming Digital Business Operations

At **AfricaCom 2024**, we're unveiling **Csmart**, our cutting-edge SaaS BSS platform that empowers businesses to build and manage agile, dynamic digital ecosystems. Csmart offers a comprehensive suite of solutions covering the entire service lifecycle—from **concept to cash to care**. With its flexible, modular design, telecom operators and service providers can quickly customize and launch new services, delivering exceptional customer experiences and accelerating business growth.

Why Visit Us at Booth #F20?

Come meet our team of experts and get a firsthand look at how **Csmart** can revolutionize your business operations. Take advantage of live demos and engaging conversations about your digital transformation journey at **AfricaCom 2024**.

Key Benefits of Csmart:

- **Agility & Flexibility:** Deploy customized digital solutions quickly to meet your specific business goals.
- **Innovative Digital Marketplace:** Open new revenue streams and collaborate with partners to drive growth.
- **Multi-Sector Versatility:** Perfect for MVNx, MNOs, 5G, IoT, satellite, private networks, OTT, mobility, enterprise, and fixed-line services.

- **Seamless Integration:** Easily integrate with existing systems, fully compliant with TM Forum ODA and Open API standards.
- **AI/ML-Powered Insights:** Make smarter, data-driven decisions with real-time analytics and advanced AI tools.
- **Low-Code Platform:** Speed up service innovation and time-to-market with intuitive, plug-and-play solutions.
- **Cost-Effective Cloud-Native Solutions:** Scale efficiently while reducing operational costs and preparing for future growth.

Join Us in Cape Town at AfricaCom 2024!

This is your chance to be part of the digital revolution. Visit us at **Booth #F20** to explore our integrated BSS/OSS and enterprise BSS platforms, built for 5G services. Our next-gen SaaS solutions are designed to optimize operational efficiency, streamline service delivery, and enable B2B telcos to thrive in the digital era.

We can't wait to see you in Cape Town!
