Team Formation & Key Players

Gujarat Titans (GT)

They have been looking good this season with the strength of their opening partnership of Shubman Gill and Jos Buttler. Their bowling has also been in good shape with Rashid Khan being the backbone of the side to defend totals and disrupt middle-order stands. GT has traditionally dominated SRH with most of the recent matches in their favour.

Sunrisers Hyderabad (SRH)

SRH have played a patchy run so far but are a threatening side with their top order of Travis Head and Aiden Markram getting going. SRH do possess the weapons in Pat Cummins and Bhuvneshwar Kumar to push GT on the back foot, with their own batting depth being the area of concern here.

Best Bet of the Day: GT vs SRH (Powered by SkyExchange & Iska Exchange)

1. Winner of Match: Gujarat Titans

GT's balance between departments and shape at home render them the clever wager to secure the win. [SkyExchange](#) has current competitive odds available on a win by GT that may tighten closer to game time

2. Shubman Gill - Top Bat

Gill has been in good touch in the tournament so far and relishes playing on flat pitches such as Ahmedabad. Betting on him to be the leading GT batsman is a good value option on both SkyExch Art and Iska Exchange.

3. Leading Bowler: Rashid Khan

Rashid's pressure-match wicket-taking skills cannot be surpassed. He is the go-to player to back for top bowler bets with good chances in SkyExchange platforms.

4. Over 180 Total Runs

The Narendra Modi Stadium has tended to be a venue that suits batters. Both teams batting first should look to score over 180 runs, a wager that is attracting good backing on [SkyExch Art](#).

Top Betting Tip

A safer option is to look at a double chance market such as "GT win or match to be drawn" which is available on Iska Exchange and is used to somewhat cover your position, particularly in a format such as T20 where momentum is so often a fast-moving thing.

Home goals

Gujarat Titans stand in a stronger position to win this game because of improved team balance, home advantage, and current form. It is possible that Sunrisers Hyderabad can stage what will be a surprise upset but will require a perfect performance to beat GT. Back GT to win and consider backing individuals such as Gill and Rashid.
