MakotoLitch Mugengalaxystar account owner of Scion82847 known as Sybal attacks Indie Vtuber Zentreya

Mrnobody4827296 explains about the internet troll Sybal and I believe he is MakotoLitch

Comrade Mrnobody4827296 proves Sybal is likely MakotoLitch who harassed Mythic Talent Vtuber Camila at her twitter private messages during the Froot google document incident. Some think they know who is “responsible” and throwing blame around. Other people are acting as “fans” of zen to capitalize on harrassing others. A lot of speculation and assumptions. Not our fight. We need to be mature and patient
