

# Same-Day Phone, Tablet and Smart Watch Repairs Company, JAGEN, Offers 90-Day Warranties on Every Rep

From water damage to battery issues, the Jagen repair team is experienced in dealing with all sorts of repairs.

**Long Beach, CA – 04/05/2021:** Every user ends up damaging their cell phone or other electronic devices at some point. The main causes of damage include dropping the device, water damage, weak batteries and more. However, with the help of pro repair services, people can save their electronic devices from major damage. The experts at JAGEN are trained professionals who know how to deal with all sorts of damages to any device.

Jagen has been providing reliable mobile phone and tablet repair services for 15 years in California. The company is trusted for their high-quality and reliable services that are delivered via its expert team that's equipped, and trained to handle any problems that digital devices may have.

Most importantly, the company also offers a 90-day warranty on all its repairs. Talking about its services, a company representative said:

*“People rely on their electronic devices more than ever today. However, they don't realize the importance of maintenance and repairs at the right time. At Jagen, we help our clients to maintain their devices to ensure a long life. We're always just one call away whenever something unfortunate happens with anyone's device. However, we encourage our clients not to wait for the device to stop working. If you notice any malfunctioning, or any problems with your device, it's better to get it checked out before the problem gets worse.”*

Jagen offers battery replacements, as well as touch screen, charge port, camera and microphone repairs, for your electronic devices. The company takes clear pride in its journey so far, since it started as a small setup but is now offering services all over the city from Long Beach to Orange County and Los Angeles.

Apart from their mobile and watches repair services, they also have technicians experienced with gaming console repair, Ipad and iPod repair, tablet repair, laptop repair, and many other services. People can reach out to the company using the details provided below.
