

Why did Katy Perry & Justin Bieber embrace Islam?

Here is what happened

Katy Perry: There are many religions in the world

Katy Perry: And, every religion says: "I am the only true religion, the only way to be saved and happy after death and the only way to paradise"

Katy Perry: So, how can we know which one is really the truth?!

Justin Bieber: By proof(s), true miracles and scientific evidence(s)

Katy Perry: But, which religion has proof(s), living true real miracles and scientific evidence(s)?
I

Justin Bieber: Sunni Islam is the only one

Justin Bieber: For example, if you search YouTube for "scientific evidences for Sunni Islam", you will find many of them such as the following link

<https://www.youtube.com/playlist?list=PLDA574E4C2CA139C0>

Katy Perry: WAAAW! What an amazing link?! I watched all of them without feeling the passage of time

Justin Bieber: The previous link also proves that the Bible still has some divine parts which **prophesized the coming of prophet Mohammad** clearly by name in Hebrew despite the distortion which led to the contradictions between the current distorted Bible and many scientific facts.

Justin Bieber: You also must visit the best **math**, scientific & religious website in the world ever, the following amazing great website

Justin Bieber: When you click on (Other Languages)'s icon inside the following link, you will find out clearly how computers and math prove now that there is a hidden scientific complicated and extremely amazing (((mathematical structure))) inside the Holy Quran (Koran) which proves that the Koran is really the word of God, word by word. Because if we remove or add only one word or even one letter to the Koran, or from the original Quran (Koran) in the Arabic language, this great mathematical structure will be lost! **Glory to God.** <http://www.islamnoon.com>

Katy Perry: WAAAW! This is really the greatest website ever. Thank you so much Justin Bieber. I want to be a Muslim too, NOW before I die

Justin Bieber: Massive congrats and welcome :-). And, if any 1 lies to you by saying that Islam contradicts any scientific fact, make sure 1st that his info is really related to an authentic Islamic reference such as Quran by making your own research and make sure also that the translations you read are accurate enough then take (the key words of his lie + Islam) and

search for them together here: <http://scholar.google.com> to find a trusted scientific reply to his lie and to see if the info he claimed is a scientific fact or only a scientific theory. And, to find the Islamic places around you, you may search here: <http://www.islamicfinder.org>. I have a very good news for you. Albert Einstein embraced Islam before he dies according to his friend Karl Jaspers in the minute 3:18 on this video [https://www.youtube.com/watch?v=f9bkjPdtr2o ...](https://www.youtube.com/watch?v=f9bkjPdtr2o...)

Katy Perry: Wow! How many Sunnis in the whole world?

Justin Bieber: About 90% of the Islamic world are Sunnis, 5% are Shia & 5% are other sects which means there are about 1.5 billion Sunnis

Katy Perry: Cool.

Katy Perry: WAAAW! This is an extremely awesome link

the best translations of Koran until now with fewer mistakes. A perfect translation s comin n few years & I'll put its link on this page, God willin. Don't miss readin the greatest book ever) Islam is the religion of Adam, Noah, Moses, Jesus & every Godly prophet. So, now, you can't be a true Jew or Christian without embracing Islam

God said to prophet Mohammad in the Holy Quran (35/24): "Indeed, We have sent you with the truth as a bringer of good tidings and a warner. And there was no nation but that there had passed within it a warner"

So, probably that all religions of the world were originally Islamic religions before the big distortions and corruptions happens to them

"And whoever desires other than Islam as religion, never will it be accepted from him & he in the Hereafter will be among the losers" Quran 3-85

To obtain salvation in the hereafter, be a practicing pious Sunni Muslim. God said in the Quran (19/72): "Then I save the ones who were pious and leave crouching behind in it (the hell fire) the oppressors of other creatures by doing evil and the oppressors of themselves by doing sin".
