## Egypt e-Visa Overview

Egypt has been a popular tourist destination for its centuries-old pyramids and the ancient monuments that amuse and attract more and more travellers around the world. Besides the travellers who visit Egypt to cruise along the River Nile or explore the lifestyle and cultural site of the country, the growing economy of the country and the business opportunities also draw entrepreneurs to invest and grow their wealth. However, travellers undertaking a trip to Egypt have their own reasons. Egypt offers an unforgettable trip with sky-gazing pyramids and beautiful beaches.

### What is essential to travel to Egypt?

A valid Egypt visa is essential for every person travelling to Egypt unless they are a citizen of [Egypt visa-exempted country](#). Subject to the purpose of their trip, travellers can pick a suitable visa for the Egypt travel. The Egypt e-visa initiative facilitates a seamless Egypt travel and visa process for travellers. The [application process for the Egypt e-visa](#) is simple and easy to complete within minutes and it offers a quick approval system.

### Egypt e-visa Overview

Egypt e-visa is an electronic visa, and it is an official travel document or travel authorization that checks the eligibility of travellers and gives them a permit to enter Egypt. Only the nationals of Egypt e-visa eligible countries can obtain Egypt e-visa. The convenience of applying online made the entire Egypt e-visa process effortless and trouble-free. The major advantage of the Egypt e-visa is that it entitles the travellers to get an Egypt e-visa without visiting the Egypt consulate or embassy. Travellers can make use of the Egypt e-visa eligibility tool to check if they are eligible to apply for Egypt e-visa. The process of choosing the right visa is easy and it requires minimal effort. Travellers must understand the Egypt e-visa types in detail. Analyse and compare the advantages, validity, cost, etc., to pick the right Egypt e-visa.

The Egypt e-visa has two types. The **Single-Entry e-visa** allows travellers only for a single entry into Egypt. It comes with a validity of 90 days and travellers can stay in Egypt for 30 continuous days. The **Multiple-Entry e-visa** allows the traveller to enter and depart Egypt multiple times until the validity of their visa ends. It comes with a validity of 180 days and for each entry travellers can stay for 30 days in Egypt. The multiple-entry e-visa will best suit the frequent travellers.

To apply for the Egypt e-Visa, you need to fill out the [online application form](#) and make the payment using a credit or debit card. It is recommended to apply at least 7 days before your planned trip.

Once your e-Visa application is approved, you will receive the visa via email. Make sure to print a copy of the eVisa to present at the Egyptian border for entry.
