

Confederate Flag Intimidates Gainesville NAACP Official

The Charleston church shooting created the political correctness and fear programming behind the flag event on Ms Foxx's lawn.

Open-source investigators now know the Charleston shooting of 9 attending a bible class by a so-called, "Dylann Storm Roof" (Does anyone believe this is a real name?) was a staged event as anti-gun propaganda.

The shooting also concealed news that the draconian passage of the TPP was passed by congress.

The public is being manipulated by numerous fake news events where planned exercises by DHS/FEMA are promoted as real events by the controlled Mockingbird media.

The Sandy Hook shooting was probably the most poorly executed shooting hoax in American History, thus easily dissected. In fact, a book has been recently published detailing the mistakes that prove the hoax, including sworn testimony from an Elected Newtown official (Patricia LLodra), revealing DHS was involved in setting up the scene in Newtown, CT on the day prior to the alleged shooting "massacre".

The Book's title is: "Nobody Died At Sandy Hook. It was a FEMA Drill to Promote Gun Control"
