

Violife Foodstuff : Alternate 100% Vegan Cheese

Welcome into the fantastic environment of Violife! We've been an exceptionally happy bunch of foodies based while in the lovely surroundings of Thessalonica in Greece. We have been committed to generating remarkable tasting, 100% vegan non-dairy, non GMO food items considering that the 90s and we're proud and humbled being a favourite model for thus several Vegans, Vegetarians and Flexitarians around the entire world. - [Dairy free](#)

Great tasting treats await you right here. All our 100% Vegan foodstuff are totally free from; lactose, GMO, gluten, nuts, soy, preservatives and cholesterol. So you're guaranteed guilt-free and allergen-free feeding on!

We absolutely like what we do here simply because we all know that, for many, it is genuinely tough to surrender cheese! We all know that we could reassure those folks that our melt-y, stretchy, creamy, tangy Violife household of products will be ideal for them. No compromise on taste essential.

You'll be able to feed oneself and family members each of the foodstuff you're keen on from pizza to mac & cheese for the ultimate comfort of a wonderful toastie. We have also got some incredibly mouth-watering recipes here too.

Veganism was born out of a desire to live in harmony with the animals and the environment whilst being good to ourselves. But we understand that there are other reasons why folks might be seeking a dairy free alternative to cheese, like allergies or intolerances. That's why our products are cost-free of anything nasty or troublesome. - [Dairy free](#)

So whether you are already living a vegan lifestyle, or are enjoying a more flexitarian way of living, we have been right here to help you get some excellent flavor in your life.
