

## Estate Agents in Javea supply investment property in Spain at 50% below marketplace worth.

Javea, Alicante/Spain - July, 29, 2013 - Paradise Property Solutions, [Estate Agents in Javea](#) have released their new collection of luxury investment property in Spain. The Grand Designs Javea collection involves an exclusive choice of luxurious designer villas in Javea and also the surrounding region on the Costa Blanca.

"With the Spanish economy at its lowest level ever this can be the ideal time for overseas investors to benefit from this distinctive opportunity" says Patrick J. Webster Owner of Paradise Property Solutions, [Estate Agents in Javea](#).

Patrick J. Webster states "The Grand Designs Javea Villas stand out with not just the highest standards of luxury you can imagine but in addition buy price tag of 50% under industry value and immediate capital growth". Patrick further says "All of these luxury designer villas originate from a particular team of exceptionally talented architects which have managed to re -define luxury. All of the properties are built towards the highest quality discovered and as a consequence of the fact that these villas are not yet constructed, that leaves the buyer using the possibility to add any further luxury function that comes to their mind."

Far more specialists on the house rates state that this is the perfect time for investors to purchase.

"There has under no circumstances been a superior time for you to buy Home in Spain than now," says Mark Stucklin, founder of Spanish Property Insight, Even Genuine Estate moguls like Donald Trump state "It's an awesome opportunity for investors that have the credit status to create up their house portfolios".

Trump tells CNBC "Spain is definitely an wonderful location. It's an excellent nation. It is got a fever and this is the time for you to benefit from it. In five years all of a sudden the exact same properties will likely be promoting for any lot of cash,"

The Grand Deigns Javea Team has published a video series to present the Villas around the web which might be found here: <https://www.youtube.com/watch?v=TuwolJnpB0M> "We

strongly think this to be one from the most effective house investments in Europe”, Says Patrick J. Webster, owner and founder in the Grand Styles Javea / Paradise Property Solutions, Estate Agents in Javea.
