After that win, he called out light heavyweight champion Jon Jones. Instead, he'll get Rockhold, who has won nine straight, including two defenses of the Strikeforce middleweight title before moving to the UFC with the merger of the two promotions. He most recently fought in July, taking a unanimous decision from Tim Kennedy.

If you index that, we're essentially doing Super Bowl-type numbers four times a year for our live events." Fertitta said WWE shows also comprise 85 percent of the programming of Combate Channel, a premium cable channel that also broadcasts regional WWE events such as Jungle Fight. "We've got great exposure there, and the fans are just crazy," he said. For the latest on, stay tuned to the WWE Rumors section of the site.
