Thirteen behavior modification programs were conducted by the Department of Defense. The Department of Labor had also conducted several experiments, as well as the National Science Foundation. The Veterans' Administration was also deeply involved in behavior modification and mind control. Each of these agencies, including LEAA, and the Institute, were named in secret CIA documents as those who provided research cover for the MK-ULTRA program. <http://www.whale.to/b/caul.html>

SOMEONE TOLD ME THE REASON HE WAS SHAKING IS HE WAS GETTING READY TO IMPLANT ME WITH MIND CONTROL IMPLANTS. THAT WAS RIGHT AFTER I GOT INVOLVED WITH PEOPLE LIKE COLIN POWELL WHICH I KNOW IS KNEE DEEP IN MIND CONTROL OPERATIONS AGAINST THE AMERICAN PEOPLE. HE SHOWED UP AT COLUMBINE ANOTHER MIND CONTROL OPERATION. EVER SINCE I HAD THESE EAR IMPLANTS MY LIFE HAS TURNED INTO ONE BIG MIND CONTROL NIGHTMARE. I HAVE TRACED A LOT OF THESE OPERATIONS BACK TO BROOKHAVEN LABS AND MONTAUK HERE ON LONG ISLAND. THE VA IS A CRIMINAL ORGANIZATION RUNNING COVER FOR PROGRAMS WITH THE CIA SUCH AS MKUltra AND OTHER SICK HUMAN EXPERIMENTATION PROGRAMS. YOU GO TO A HOSPITAL BECAUSE YOU TRUST THEM AND TO GET SOME HELP AND THE SOB<sub>s</sub> IMPLANT YOU, I ALMOST DIED OF ALL THE COMPLICATIONS FROM THOSE SURGERIES. AND IF YOU COMPLAIN AND TRY TO EXPOSE THE SHIT WATCH OUT, YOU WILL FIND OUT HOW CORRUPT OUR GOVT REALLY IS, THEY HAVE TO COVER UP THESE CRIMINAL ACTS DOES NOT MATTER HOW MANY LIVES THEY DESTROY IN THE PROCESS.

Dr. Klinghardt from "institute for neurobiology" warns about the dumping of aluminum containing substances (chemtrails) from airplanes. Being asked why most medics and doctors are not sharing this opinion, he replies, that it's not that easy, to go public with discoveries like that. "Many colleagues, who were busy on this topic lost their license, or they had heavy traffic-accidents." \*Translated from the German newspaper.**

<http://9-11themotherofallblackoperations.blogspot.com/2013/05/the-state-university-of-ny-at-stony.html>

Are Chronically Ill Americans Being Targeted For Non Consensual Human Experimentation Without Their Knowledge?

As a target of directed energy weapons' attacks for nearly twenty years, and a chronic Lyme Disease patient for longer than that, this author has also wondered if, given the chronicity of their illnesses, many chronically ill patients are also unwittingly used by the U.S. Military Intelligence complex for non consensual human experimentation?

This would be done by the federal government with the understanding that these people will just conclude that the symptoms which they experience as the targets of such non consensual human experimentation, are instead, just symptoms being caused by the chronic illnesses that they have been diagnosed with.

This would give the federal government the plausible deniability which it requires to experiment on these people without ever being exposed for having done so.

Think about the millions of people within the United States alone, who suffer each year from a chronic illness, and how easily they could be used as non consensual experimentees for covert government programs; including those which concern furtive forms of mind control experimentation.

And the federal government does have complete access to the medical records of all American citizens.

I can certainly verify the detrimental health affects from chemtrails in my practice. I see many patients, especially children that appear to be suffering symptoms of irritability, unusual periods of uncontrolled behavior, allergies, asthma, or infection. Instead, I find their symptoms to be a direct result of the heavy metal poisoning they have been exposed to from chemtrail activity. This ALWAYS occurs when chemtrail aerosoling is at high levels. To the amazement of the parents I give their children what they require for the toxic metals indicated and the symptoms magically disappear. Now they have begun to notice when their children spend more time outside when heavy chemtrail overcast is present these kids begin developing symptoms the next day or even the same day. Of course, skeptics will attribute this to the power of suggestion. For these people I usually recommend continued heavy doses of ignorance to maintain their comfort zones since the ability to recognize observable details repeated with 100% accuracy may be too overwhelming.

The conference spawned books by both Brzezinski and Peccei: Technetronic Era and The Chasm Ahead, respectively. In calling for the establishment of a post-industrial dictatorship, Brzezinski wrote:

"..**new forms of social control may be needed** to limit the indiscriminate exercise by individuals of their new powers."

**He went on to suggest bio-chemical means to control the populace** and stated:

"It will soon be possible to assert almost **continuous surveillance** over

every citizen and to maintain up-to-date complete files..."

In his later book *Between Two Ages*, he called for the establishment of a global government, and, in the manner of a thug working a protection racket, indicated what the global elite would do to punish the masses if they resisted. This included geophysical warfare and satellites emitting a frequency capable of initiating mass epilepsy. Instead of charging this wretched apology for a human being with high treason, Illuminati puppet Jimmy Carter appointed him to a presidential cabinet position. "We need a program of psychosurgery for political control of our society. The purpose is physical control of the mind. Everyone who deviates from the given norm can be surgically mutilated.

"The individual may think that the most important reality is his own existence, but this is only his personal point of view. This lacks historical perspective.

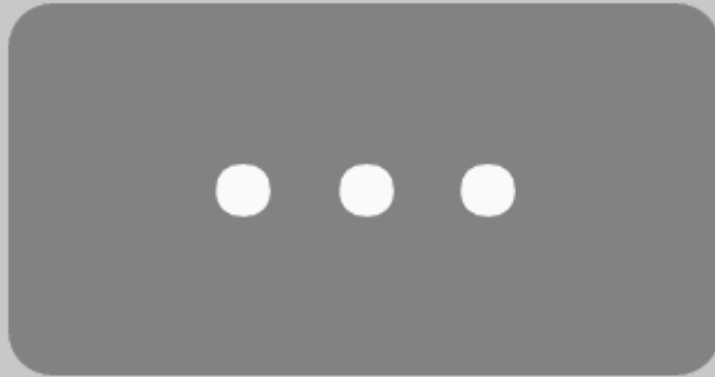

"Man does not have the right to develop his own mind. This kind of liberal orientation has great appeal. We must electrically control the brain. Some day armies and generals will be controlled by electric stimulation of the brain."

These were the remarks of **Dr. Jose Delgado** as they appeared in the February 24, 1974 edition of the Congressional Record, No. 26., Vol. 118. Despite Dr. Delgado's outlandish statements before Congress, his work was financed by grants from the Office of Naval Research, the Air Force Aero-Medical Research Laboratory, and the Public Health Foundation of Boston.
