The [Australian open 2016 live](#) is often a major tennis tournament held annually in the last fortnight of January in Melbourne, Australia. First locked in 1905, the tournament is chronologically the initial of a few Grand Slam tennis events in the year – additional three being the French Open, Wimbledon, as well as the US Open.

It features men's and women's singles; men's, women's, and mixed doubles and junior's championships; in addition to wheelchair, legends and exhibition events. Prior to 1988 the tournament ended up being played on grass. Since 1988 home equity loans hard court surfaces are already used at Melbourne Park – green Rebound Ace to 2007 and blue Plexicushion from 2008.

[Australian Open Tennis 2016](#)

The Australian Open, is the primary of a few Grand Slam tournaments around the annual tennis calendar and with their US open the premier hard court tennis tournament on earth.
