Recommended:

Female :

Textures are not included, so you will need to download some.

I use [SG Female Textures Renewal by Hello Santa](#)

delete "femalehead_s.dds" file from :

Data/textures/actors/character/female after installing SG Female Textures
mod

[Seductive Lips HD by EcthelionOtW](#)

male :

[Young Male Face Texture by Fuse00](#) req : ' SHAVED_WITHOUT MOLES "

How to install:

Use NMM or extract to your data folder.

Go into showracemenu,

make sure the slider for the Preset Slot is on slot 0, slot 1, slot 4 , slot 5 , slot 9, slot 10 for female nord> OR slot 6 for male " breton "

Then hit F9 to load the preset.

important !!!!!

all female characters are nord

the male character are breton

ENB :

[Jasmin ENB real Graphic Mod by r6angel](#)

after installing the enb ^

download the enbseries.ini from my download section (high performance)

or

[RealVision ENB](#)

or

[TK ENB by tamu75](#)
