England National Team and Nike Official Jointly Published the Newly Home Soccer Jersey for Brazil World Cup

March 27, 2014-England-According to the recent update from blog of wholesale-soccer-jersey.net which is the best online seller for all sorts of **cheap soccer jersey replicas**, England national football team and Nike jointly launched 2014 new home jerseys which the design highlights the long tradition and culture of the England football and it also applies the most advanced and innovative technology to improve the performance of football player who wear it.

¡°People should know that the Modern football was originated in England. So, I feel very honor to can design shirts for England,¡± Nike football global creative director Martin Loti said, ¡°We hope THIS NEWLY DESIGNED FOOTBAL JERSEY could pay tribute to those glorious moment of the England football history."

By the carefully viewing of the same version replica soccer jersey on online store **replica soccer jersey in china**, this new released England home jersey adopts the pure white fabric which also has fine pinstripe. The design of white ribbon at shoulder of this jersey adds this soccer jersey the unique spot. In the designation process for this newly England home shirt, there are main two factors which they focus on. These two factors are England white jersey and the British knight armor in 1970¡¯s Mexico. The pinstripe of this newly jersey owns a touch of gloss. These glossy parts as well as shoulder white ribbon designs can let people find the feeling of armor.

Frankly speaking, this new set of jerseys has been largely inspired by the England jersey in 1970. The new white shorts apply the white ribbon design on both sides which together with the same jersey shoulder design to create a unique effect. On the other hand, through the laminating process analysis and special design, new shorts could be more and better fitting with body and own both flexibility and comfortable feeling in the playing process. At rear middle area of the short, the laser venting hole with Nike iconic logo can help expel moisture

and keep drying condition of players¡¯ body. The new home socks are also white.

This newly home England soccer jersey also got good feedbacks from the players from England national team. The famous England players Wayne Rooney said:¡± Whenever I wear the England shirt, I always feel very proud and honorable and thus feeling is also the same with the wearing for the new national jersey(www.wholesale-soccer-jersey.net). I cannot wait to go to Brazil and play our match with wearing for this new soccer jersey.¡±
