

## **FAQs of Hotspot Shield Elite Crack**

Q. Hotspot Shield reverts back to free ?

Ans. Uninstall it completely with IObit Uninstaller , reinstall it & crack it again  
or Go to C:\Program Files (x86)\Hotspot Shield\bin & delete af\_proxy\_cmd.exe & crack again

Q. Crack has unhandled exception (unable to find C:\Windows\drivers\etc\hosts) ?

Ans. This error comes when your Windows Installation is not on C drive , so just change your Windows Drive letter to C. Follow this tutorial to do so ([www.youtube.com/watch?v=kA9pLNLq-PI](https://www.youtube.com/watch?v=kA9pLNLq-PI)).

Q. Hotspot Shield doesn't open Adult Sites ?

Ans. No problem , just visit them through : [Unblocksit.es](https://unblocksit.es) or [Anonymouse.org](https://Anonymouse.org)

Q. I am unhappy with Hotspot Shield ?

Ans Don't worry , mhktricks has all solutions , just try other VPNs here  
: <http://mhktricks.net/category/vpn>
