

Q1. How to open zip file in android ?

A1. Use ES File Explorer , link given on post

Q2. How to install game ?

A2. After extracting file, just install apk normally

Q3. Can I connect to Facebook or Google+ Account ?

A3. No , modded apk connects to our servers so you cant join with FB or G+

Q4. It says 'Login Failed !' , What to do ?

A4. This error comes when there is huge load on server , our servers are less powerful so there is downtime , you can try different times on a day

Q5. Still login failed , what to do ?

A5. You or we can do nothing unless you people donate us money so that we can buy new powerful servers

Q6. How can I donate ?

A6. You can donate with Paypal on [mhktricks.net@gmail.com](mailto:mhktricks.net@gmail.com)
