

Cheap 2015 Prom Dress Collection Released By Leading Online Retailer

Feb 10, 2015-America-Canada's most trusted online dress retailer, Cuteydress.com has announced the release of its prom dresses 2015 collection. A release launch fashion show for the collection will be held on Thursday, January 18, 2015 at 10:00 AM.

I established the website in 2003, I declare Daims, the company founder, after hearing lots of friends and family members complain about the high cost of event attire. This website was born dedicated to the art of feminine draping, innovative design and the romance of the occasion.

Cuteydress.com offers web visitors an enhanced dress boutique experience online with a sophisticated product catalog offering a wide range of beautiful dresses and fancy accessories.

Cuteydress.com designers pay extra attention to detail, using only top quality design fabrics such as soft organza, chiffons or romantic satins and taffetas embellished with spectacular beading and glamorous laces.

And some of the gowns from the collection are stunning head turners. Take for instance the Sheath/Column Sweetheart Asymmetrical Elastic Woven Satin [2015 bridesmaid dresses](#) in bold red. It has a sleeveless top look and is embellished with Crystal Detailing and ruched in all the right places. It has a natural waistline and zippered back and creates a dramatic look with its open front to the thigh. Normally selling for \$455.69 Canadian it is now being offered for a limited time at a 67% introductory price of \$151.69.

Just as elegant but more understated is the A-line One Shoulder Asymmetrical Satin [princess wedding dresses](#). The dress drapes from the left shoulder while the right shoulder remains sleeveless and is embellished with Crystal Detailing. Higher at the knee in the front than the back of the leg, this dress is very chic in black and at the introductory rate of \$91.89 Canadian, easily affordable.
