

[Streak The Hottest Red Eye Trend With Makeup Products From Sephora Thailand](#)

Hola beauty queens! Today I am going to update you gorgeous ladies with the old school red eye trend. Yes, you guessed it right, the red eye trend is back and back with a bang! I know you might be feeling that this kind of makeup looks all the more gothic than could make you look a diva. But here you go wrong! You all might have seen the fashion events and ramp walk at events at Milan, Paris and New York, right? So there are things we take into note while going through the show. Not only have we gone through the fashion trends and the attire of the models but their makeup too. Red eye makeup is basically showcased on ramp walks by the models. But hey! You too can spring on the look without looking like a sleep deprived! To be honest, red eye makeup trend is a tricky one. I mean you need to be really careful while choosing your shades and everything. And here I step in, I will help you out with your makeup and you too can put on the trend easily and just like a pro!

Makeup essentials and so many trends to follow up is a hell lot of expensive. I agree! You know girls have to go through so many things in a go- be it their fashion statements, keeping up with their style statements by the end of the month makes us a bankrupt. Well, I have got some lip smashing news for you; [Sephora](#)– South-East Asia's prominent beauty product website has got really cool stuffs for you at affordable price and guess what? If you shop in through [CollectOffers](#) you get amazing Sephora discount coupon codes and voucher codes! Great isn't it? Okay then, let's go step by step on what all you need to do to get the perfect red eye trend!

Step 1: Concealer from Laura Mercier

You need clear out your face and no dark circles to be visible. Though the trend moreover seems to be a tired one but hey you don't make trends just like that. So apply concealer and clear out your under eye, nose, and chin very subtly.

Step 2: Eye Cream from Trilogy

Apply The eye cream to depuff your eyes and eye lids to make a perfect base for the further eye makeup and make your eyes look puffy.

Step 3: Eye Primer by E.L.F

Apply the eye primer, dabbing it which helps in the eyeshadow color to stick properly. The primer gives a proper base to the shadow.

Step 4: Eye Shadow

This eyeshadow palette by pupa has the best shades for the red eye makeup. To begin with, you can try out burgundy and dark shades of pink instead of jumping to red directly. This would give you a sight of how the look gets on you. If it is a Yay or a Nay!

Step 5: Eyeshadow Brush from Zoeva

I mean of course how can you apply a perfect shadow without a perfect brush? So here it is the eyeshadow brush, very soft in texture and gives the perfect blend to your eyeshadow. Now sweethearts what are you waiting for grab the makeup products and streak the hot and trendy Red Eye makeup!
