

Jeremy Millul - Built A Career In Product Development

Jeremy Millul

Built A Career In Product Development

Mr. Millul built a career in product development which he translated into his entrepreneurial pursuits, founding his own business in 2015.

As President of the company, Mr. Millul continues to create high-end jewelry pieces to sell to top brands.

Mr. Millul is an alum of Sy Syms School of Business at Yeshiva University and used his education as the foundation to build his multi-million-dollar business.

Jeremy Millul balances the rigors of his entrepreneurial endeavors with personal pursuits by enjoying soccer and basketball with his family.
