Nov 12, · Most people today have scarcely any awareness of pre-spectacle history, let alone of anti-spectacle possibilities. As Debord noted in his follow-up work, *Comments on the Society of the Spectacle* (1992), spectacular domination has succeeded in raising an entire generation molded to its laws. 1. Separation Perfected. 2. The Commodity as Spectacle. The concept of “the spectacle” interrelates and explains a wide range of seemingly unconnected phenomena. The apparent diversities and contrasts of these phenomena stem from the social organization of appearances, whose essential nature must itself be recognized. Considered in its own terms, the spectacle is an affirmation of. In societies dominated by modern conditions of production, life is presented as an immense accumulation of spectacles. Everything that was directly lived has receded into a representation. The images detached from every aspect of life merge into a common stream in which the unity of that life can no longer be recovered. The spectacle is the stage at which the commodity has succeeded in totally colonizing social life. Commodification is not only visible, we no longer see anything else; the world we see.
