Mr. Jeewan Kumar and Mrs. Shalta Beri from Chandigarh (along with 4 more friends) are stuck in a houseboat in Dal Lake since Saturday.

Our last communication with them was on Sunday evening and since then we have not heard from them. We're trying all helpline numbers but there's no response. They were supposed to take a flight on Monday but it seems they weren't able to make it till the airport.

Please let us know what is the status of rescue operations around Dal Lake? Are tourists being evacuated? Where are they being taken?

I'll be very grateful to you, please reply as soon as you get some information.

My Jiju , Mr. [Ajay Paul Gill](#) who is the incharge of 'Department of Youth Services & Sports' went to Srinagar along with more than 150 students for Inter- District games which were supposed to held in Sringar. But due to this tragedy, all of them are caught up in BAKSHI Indoor Stadium. Somehow, Ajay managed to call up this morning and asked for help. He informed us that rescue team is not aware that so many school students are caught up in the stadium and now the students health is getting deteriorated.

I called up Aaj Tak and NDTV Team as well. As per them, the channel is not able to get in touch with the reporters due to the network and power failure in Srinagar.

If anyone gets a chance to read this who can help the people stuck in there, please help them

Many Thanks In Advance ,

Dear Brothers,

My wife Hanifa Shiekh/sofi & 2 minor daughters Hunain (7) and Burooj (2), they are staying at Razdan Bagh Bagiyas, Chattabal in Srinagar with my father in- law Gulam Qadir Sofi.

I was in touch with them till Sunday morning (1 am) on phone, after that I don't have any information about them. I called all help lines continuously published by Indian express last week, but I was quite unable to connect them as they were busy. I also posted them as missing persons on line at Google person finder, but still I don't have any information about their well being.

If you please & please help me to provide any information about them.

Sir/ Ma'am

We the students of Chandigarh Group of Colleges organized a fundraiser for J&K flood victims. The event included a 'A War Of Bands', 'Solo Singing' and a few 'Rap performances'. Asalamualikum,

I had posted on our group, below some update:

DR FAYAZ Qatar: Regarding Dr Mehraj who is a close friend of mine, I can say a little bit. I had posted about my brother in law Javeed Iqbal Lone earlier on this group. Mr Javeed Iqbal is next door neighbour of Dr Mehrajs father. My brother in law has been rescued out of the area on Sunday or Monday and somehow we traced him yesterday in Junab Sahib shine mosque at Soura. ..relief camp. He is being taken to his ancestors place in Handwara today as it is not possible to travel to the other end

Contd.....other end of the city. As soon as I get some contact with my brother in law I will surely ask him about prof Sofi. Till then pass on the message to Dr Mehraj to look for him in Jinab sahib soura relief camp. Hopefully he's safe.

Mohsin

Sir,

Please clarify the criteria of selecting different areas of Kashmir in flood control, rescue and relief operations as employed by NDRF, IAF, Army under your instructions.

Few areas in Central Kashmir like Batamalo, Chattabal, Karan Nagar, Deerish Kadal, Qamarwari, Bemina, Hyderpora, Peerbagh, HMT, Budgam, Narbal, Arath, Soibugh and complete South Kashmir were completely ignored even though these areas were submerged in water and there is loss of huge properties.
