This is his TemplarsRoar comment he made on Th3Birdman15, notice he never posts about it any further. Maybe he is trying to act like Th3Birdman15 stands no chance debating him. Is he a arrogant racist white man afraid to debate a smarter more experienced black man? Asmongold made a degrading post about his hateful topic on african somalian's average iq. Tactical Templar as the far right wing grifter attention seeker he is takes the extra measure to suck up to Asmongold like he does to Tectone and Leafalit. Leafalit since you added Tactical Templar in your animated ai music video, it is time you know who the real Tactical Templar really is. He is using you to forward his white supremacist racist agenda.

Here is you TaktikalTemplar defending the Klu Klux Klan. This was from your suspended Templarsvoice account. This is all it would take for Th3Birdman15 to defeat an insufferable fascist white supremacist supporting apologist like yourself.

This is TaktikalTemplar's edited post of pizza990's artwork. It's a combination of the trans flag and LGBT pride flag. TaktikalTemplar doesn't understand he is supporting these Klu Klux Klan monsters by defending them.
