

Medicube Zero Pore Cooling Mask

[Medicube Zero Pore Cooling Mask](#) is a sheet mask designed to tighten pores, brighten skin, and reduce acne. Enriched with niacinamide, adenosine, and plant extracts, it also soothes and hydrates the skin while cooling it for a refreshed feel.

Key Benefits

- **Pore Tightening:** Niacinamide helps refine and minimize enlarged pores.
- **Reduces Redness:** Cooling effect lowers skin temperature and calms blotchiness.
- **Collagen Support:** Adenosine stimulates collagen for smoother, firmer skin.
- **Hydrating & Soothing:** Kudzu root, ulmus root, and other plant extracts keep skin moisturized and comfortable.
- **Easy Fit:** Thin sheet mask adheres perfectly to face contours for effective delivery of active ingredients.
- To explore all our Products at [Qasr Jamal Store](#), Discover a wide range of skincare essentials just for you.

How to Use

- After cleansing and toning, place the mask on your face, avoiding eyes and lips. Leave on for 10-20 minutes, then remove and gently massage remaining essence until fully absorbed.
