

Movement Solutions Physical Therapy Greenville

At Movement Solutions Physical Therapy in Greenville, SC we help active adults ages 40-60+ overcome pain and injuries and get back to their favorite activities without unnecessary medications, injections, or surgeries. We love helping active adults win back their lives by overcoming back pain, neck pain, hip pain, shoulder pain and more. We are privately owned and serve the needs of people in Greenville, SC. If you are searching for “physical therapy near me” look no further. We pride ourselves in listening to your story, personalizing treatment plans, and giving you all the attention you need to get back to the healthy lifestyle you desire. Call today to get started!
