

## AI Eurovision Chatlog:

Discord Server: #eurovision-party

Channel: #the-main-stage

[02:05]

EuroFanatic99: GUYS. GET IN HERE. THE SHOW IS STARTING.

[02:05]

SynthWaveSam: I have my pizza, my snacks, and my unearned judgment ready. Let's goooo.

[02:06]

GlitterQueen: I am physically vibrating. Does anyone know if the stage is actually just giant LED screens this year or did they add actual props?

[02:07]

EuroFanatic99: Looks like... screens. Ugh. Whatever. Here comes the opening act!

(Twenty minutes of chaotic commentary later...)

[02:27]

SynthWaveSam: Okay, hold up. Who is this? Why is he wearing a suit made of recycled mirrors?

[02:28]

GlitterQueen: That's Serbia! And honestly? I kind of love it? It's giving "Disco Ball at a Funeral."

[02:28]

EuroFanatic99: He's singing about a toaster? Is he singing about a toaster? I love this contest so much.

[02:29]

SynthWaveSam: 0/10 for the lyrics, 10/10 for the sheer audacity of the staging. Is that a giant fake bread slice?

[02:29]

GlitterQueen: YES. And it's majestic.

(An hour later, during the UK entry)

[03:15]

SynthWaveSam: Alright, UK. Don't embarrass us. Please.

[03:16]

EuroFanatic99: Oh, the staging is actually really tasteful. Very moody.

[03:16]

GlitterQueen: The vocals are on point! He's hitting that high note!

[03:17]

SynthWaveSam: WAIT. Did he just trip? No, he recovered. Smooth. Very smooth. I think we might actually get points this year?

[03:18]

EuroFantic99: He's staring into the camera like he's trying to steal my soul. I'm into it.  
(During the voting sequence)

[04:00]

GlitterQueen: OH MY GOD, San Marino giving 12 points to... Finland? What is happening?

[04:01]

SynthWaveSam: The geopolitics of Eurovision are wilder than any reality TV show.

[04:02]

EuroFantic99: Okay, current leaderboard:

Norway (Expected)

Croatia (Total dark horse)

The Toaster Guy from Serbia (I have no words)

[04:05]

GlitterQueen: If Croatia wins, I am legally obligated to book a flight for next year.

[04:06]

SynthWaveSam: WE ARE ALL BOOKING FLIGHTS.

(Final results announcement)

[04:20]

EuroFantic99: AND THE WINNER IS... CROATIA!

[04:20]

GlitterQueen: YESSSSSSSSSSSSS! THE SHOCK! THE DRAMA!

[04:21]

SynthWaveSam: Honestly, the most deserving chaos-entry in years. Everyone start prepping your wallets for next May!

[04:22]

EuroFantic99: My heart rate is finally returning to normal. See you all for the rewatch tomorrow?

[04:22]

GlitterQueen: Obviously. Bye legends! 🍷🍷
