

## Qubool Hai 2.0 Teaser Release: Asad & Zoya Slay On The Screen Again!

Qubool Hai starring Karan Singh Grover and Surbhi Jyoti was a cult a few years back, and it is coming back on Zee after the audience's popular demand. The teaser of Qubool Hai 2.0 was released yesterday and is showcased as an engaging drama with romance being its primary theme.

The character Surbhi as Zoya was seen running in a beautiful white gown and bumping into Asad, played by [TV industry actor](#) Karan Singh Grover. The two stare at each other in passion and then part their ways with eye contact.

Though nothing can be said about the 10 episode love drama from the teaser itself, it looks quite promising as the actors are doing justice to the characters as visible on the screen. Surbhi had earlier said in an interview that the show Qubool Hai 2.0 will have, “more romance, more drama and more action.”

While sharing the teaser of his show on Instagram, Karan wrote – “This classic tale of love is back!! #EternalLoveStory.”

Whereas Surbhi Jyoti shared the teaser of the show on Instagram with the caption, “A true love story never ends...♥ #asadanzoyaforever #quboolhai2point0”.

Karan also promised his fans that Qubool Hai 2.0 would be a “picturesque delight and will break stereotypes.” He added, “The wait is over, and I am super excited that we have released the teaser. The web series is going to be a picturesque delight with romance taking center stage. The [TV show](#) broke stereotypes, and the web series is here to challenge new ones.”
