Froot attempted to claim that the copyright strikes on videos about her various scandals were not done at her own request and that her NDA prevented her from telling the truth. Then for some strange reason she deleted this tweet. Can't imagine why.

Thinking about the time someone at Vshojo copyright struck a video under my name without my knowledge and I had to take the hit for it. It was a mistake but I never got to say anything publicly and I still don't know who it was 😞
