# PROFESSIONAL **SALES COACHING SERVICES** **SYDNEY**

Sales coaching refers to a specific kind of professional business relationship that involves helping successful sales professionals play a larger game.

It also involves an expert sales coach who helps to enhance sales performance and improve time management, efficiency and personal organisation. This is a confidential, collaborative and results-based relations where the coach serves as an accountability partner who is supportive but also challenges salespeople to improve their peak performance and reach their optimal sales performance zone as well.

## **PREMIUM SALES COACHING IN SYDNEY**

In order to meet these needs, FocusedGrowth® provides services from sales coaches, as either a standalone service or to augment the sales training engagements that we offer. We typically start with agreeing on what the desired outcomes will be and then get a sales coaching programme customised so that sales effectiveness can be improved.

**FOCUSEDGROWTH® IS HERE  
TO HELP ENSURE THAT YOUR  
SALES STRATEGY IS EXECUTED  
FLAWLESSLY.**

**Let's start a project  
together.**
