

Smith Funeral Chapel

Smith Funeral Chapel put in Eau Claire County's first crematory in 1982 and has been conducting funeral services since 1956. We proudly serves your family with the same personal care and dedication that has been passed down from generation to generation. We invite you to look at all options for internment including caskets and urns as well as our cremation services. Our funeral home is equipped to handle most requests and want to help in any way possible.
