Business Description:

With a 99% Win rate in personal injury cases! At Solorzano Law, we are passionate about delivering bold and compassionate legal representation to personal injury clients throughout

their entire case journey. Serving all of Arizona, our dedicated team handles personal injury litigation in-house, ensuring steadfast support even when the going gets tough—unlike other firms that transfer cases to external litigation entities. We operate on a contingency fee basis, meaning no fee is charged unless we secure a victory for you. Our fees are recovered from the compensation provided by insurance companies. When you choose us, you'll meet the attorney featured on our billboards and the firm's owner, who oversees your case and ensures you receive the care and attention you deserve. We stand by our work with a solid guarantee —can others make the same claim? As a Christian firm deeply committed to community service, we give back to those we serve. Contact us today for a complimentary, no-obligation case evaluation. Hablamos Español.
