

New cool functionalities

Thanks to the funds paid by our [Premium](#) users, we were able to develop new cool functionalities, that are currently available only after account upgrade.

1. New feature: You can save note for later - only you will be able to read it until you'll click Publish

The screenshot shows the JustPaste.it editor interface. At the top, there's a yellow header with the logo and navigation buttons: 'Add new note', 'Popular notes', and 'JustPaste.it'. Below the header, there's a yellow banner with the text 'Want to share text with your friends? Paste it below, and give them the link. More...'. The main editor area has a toolbar with various formatting options (Paragraph, Bold, Italic, Underline, Text color, List, Indent, Outdent, Link, Unlink, Image, Undo, Redo) and two tabs: 'EDITOR' and 'EDIT HTML'. Below the editor, there are two buttons: 'Store for later' (orange) and 'Publish' (red). On the right side, there's an 'Additional settings' panel with options for 'Photos' (Upload photos, Manage photos), 'Custom page name', 'Set content type', 'Protect with password', 'Import from file', and 'Language: English'. At the bottom, there's a footer with '© 2016 justpaste.it' and navigation links: 'Popular notes', 'Premium', 'Terms of Service', 'Blog', 'About'.

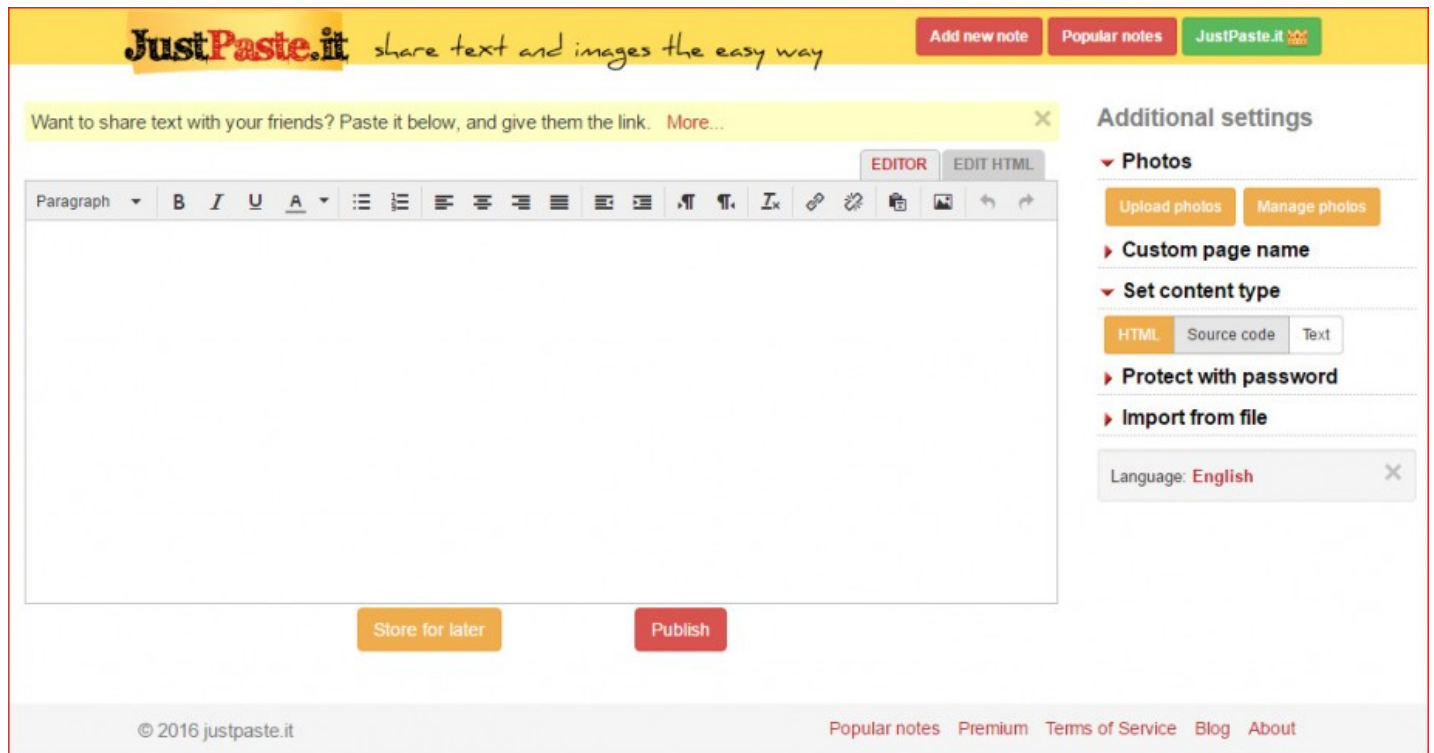

2. New feature: You can delete your notes

The screenshot shows the JustPaste.it user profile page. At the top, there's a yellow header with the logo and navigation buttons: 'Add new note', 'Popular notes', and 'JustPaste.it'. Below the header, there's a banner for 'Premium User subscription: active (346 days left)'. The main content area has three tabs: 'Manage notes', 'Settings', and 'Subscription packets', and a 'Sign out' button. Below the tabs, there's a profile page URL: 'http://justpaste.it/u/justpasteit'. A table lists the user's notes with columns for 'URL', 'Online', 'Visits', 'Created', 'User profile', 'Edit', and 'Delete'. Below the table, there's an 'Import notes saved in my browser' button. At the bottom, there's a footer with '© 2016 justpaste.it' and navigation links: 'Popular notes', 'Premium', 'Terms of Service', 'Blog', 'About'.

URL	Online	Visits	Created	User profile	Edit	Delete
justpaste.it/example	0	13.787	08/05/2014	hidden	Edit	Delete

3. Ability to change content type of the note is now available also to regular users

If you're a programmer, set Content type to "Source code" to see highlighted code.

The screenshot displays the JustPaste.it web application interface. At the top, the logo "JustPaste.it" is followed by the tagline "share text and images the easy way". Navigation buttons for "Add new note", "Popular notes", and "JustPaste.it" are visible. A yellow banner prompts users to share text with friends. The main editor area features a rich text toolbar with options like Paragraph, Bold, Italic, Underline, and various alignment and list tools. Below the toolbar is a large text input field. To the right, the "Additional settings" panel is open, showing options for "Photos", "Custom page name", "Set content type", "Protect with password", and "Import from file". The "Set content type" section has three buttons: "HTML", "Source code" (which is selected), and "Text". Below this, the language is set to "English". At the bottom of the editor, there are "Store for later" and "Publish" buttons. The footer contains the copyright notice "© 2016 justpaste.it" and links for "Popular notes", "Premium", "Terms of Service", "Blog", and "About".
