At Stinson Services, our seasoned contractors provide expert roofing and exterior remodeling services to the greater Minneapolis area. We specialize in commercial and residential roofing services including roof repairs, replacements, and inspections. Our premier roofers work with a variety of materials including metal, flat, TPO, asphalt and shingles. Ask us about storm and hail damage restoration.

We also offer siding, gutter clean outs, and window installation services.

We take pride in our quality deliverables and customer service, putting us in the category of "Best In The Industry".

We proudly service Edina, Minneapolis, Minnetonka, Shorewood, and Wayzata.

Enjoy professional, informative, and awesome work- check out our reviews today.
