

# Qualified Student Visa Consultants in Melbourne

Melbourne is home to some of the world's greatest colleges, schools, and training institutes, making it a popular destination for international students.

To study in Melbourne, however, you will need an Australian student visa if you are an overseas student. **Tilsav Migration & Education** has highly [Qualified Student Visa Consultants in Melbourne](#). They are aware that obtaining a student visa can be a challenging process. All of our migration agents strive to make the process of applying for a student visa as straightforward and easy as they can. Contact one of our specialist student visa consultants immediately if you want to study in Melbourne on a student visa.

It's crucial to apply for the right kind of student visa if you want to study in Melbourne. Our Melbourne-based Student Visa Consultants can advise you on the best form of visa for your circumstances.

There are the following types of student visas in Australia:

- Subclass 500
- Subclass 590

The subclass 500 student visa is the primary type of visa that our student visa advisors process for overseas students wishing to study in Melbourne. Our student visa and migrations advisor may advise you to apply for a subclass 590 visa for guardians if you are the guardian of a minor who has already received a subclass 500 visa. Our Best Student Visa Consultants might suggest that you apply for a student visa for your Melbourne studies if you are a trainee or tertiary student.
