## AGILITY AND FLEXIBILITY IN RESEARCH: A CRITICAL LITERATURE REVIEW

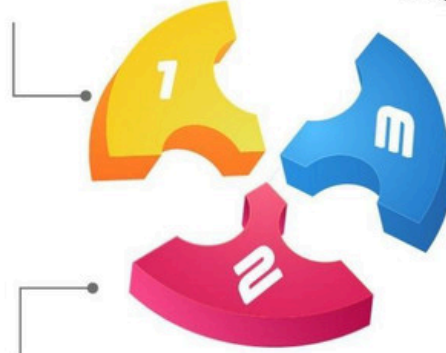

**Tutors India**  
YOUR TRUSTED MENTOR SINCE 2001

### WHAT DO EXPERTS SAY ABOUT AGILITY AND FLEXIBILITY?

According to (Gomes et al., 2020), there is a dichotomous perspective of how agility and flexibility occur. Several academics consider agility as a collection of essential aspects More...

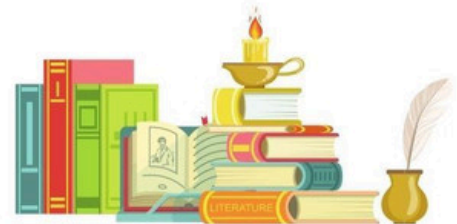

### WHAT IS THE FUTURE SCOPE IN INTERNATIONAL BUSINESS RESEARCH?

As the findings of this review reveal that, neither agility nor flexibility have indeed been clearly defined in the IB literature More...

### KEY TAKEAWAYS FROM EXPERTS

Agility as a collection of essential aspects that surround the idea of flexibility, while others see agility as an unavoidable extension of flexibility.
