

# Vastu Consultant in Kolkata Lists the Benefits of Using Real Vastu Salt in a Property!

Do you know why vastu consultant in Kolkata speaks so much in favour of using vastu salt?

Well, it

is packed with good energies that can absorb the negativity from its surrounding.

All in all, it acts like a filter paper that can cleanse the aura around it. So, today, to guide you in this

regard, [Vastu consultant in Kolkata](#) lists some of the uses of vastu salt in home and office premises.

i. Vastu salt in main gate-you should take a handful of vastu salt, tie it in a cloth and hang on the main gate. This will stop the evil eye from entering your property. Never place god's idols in main gate for this purpose.

ii. Vastu salt in toilet- toilets are filled with negative energy. To cleanse it, vastu consultant in Kolkata recommends keeping a handful of vastu salt in a bowl before placing it in the toilet. You can keep a few indoor plants as well.

iii. Vastu salt for floor cleaning- you can spread a handful of vastu salt on floor and let it sit for a couple of hours. Later, sweep it out of the property. Alternatively, you can mix the vastu salt in a bucket of water and sweep normally.

iv. Vastu salt in sick person's bedroom- if a family member is sick then you can keep a bowlful of vastu salt near them. It will take away the gloominess of the person.

v. Vastu salt in wallet/vehicle- if you own a two or 4 wheeler, you should place a small potli of vastu salt on it. Alternately, you can keep a small pouch of it in person, either in bag or wallet.

vi. Vastu salt to clean the old septic tank- in case you are replacing any old septic tank, you must first clean it properly by rubbing vastu salt inside it. Only then it can be discarded or used in vastu compliment zone.

No matter how you are using the vastu salt, you should discard the same after every 7 days and

replace it with a fresh batch.
