

Xtend Outdoors

Australia's leading specialists in Annexes & more. Australian owned & operated company based in Sunshine Coast, QLD. Previously known as Australian Wide Annexes, founded in 2004 by a young industry leader who learnt the art of making annexes as a teenager alongside his father who was a local canvas manufacturer. Fast forward to present, with years of industry experience Xtend Outdoors is now the leading manufacturer of [RV Annexes within Australia](#) focused on delivering innovative, premium custom-made products at affordable

pricing to the Australian market. We also provide on-site fitting services throughout Australia and for those who are not able to determine the required measurements, our team can come and take all measurements on site.
